

What is it?

Live Sites are big screens and events spaces in urban centres which offer live information, video news and community events.

In 2012, Live Sites will be the destination for news, events and live screenings of the Olympic and Paralympic Games.

What events will happen at the Live Site?

- Broadcasting of major sporting competitions such as the London 2012 Games, Wimbledon, Test Cricket.
- News and programmed footage provided by the BBC
- London 2012 Inspired events based on projects happening across the sub-region
- London 2012 Sponsor events showcasing their sponsor activation for the sub-region
- Local community based cultural projects

An artists impression of what Coventry's Live Site may look like

Where is the Live Site in Coventry?

Coventry's Live Site will be located at Millennium Point and will be embedded into the wall of the Coventry Transport Museum. It is due to be fully installed and operational by May 2011 with events taking place from this time.

Millennium Point offers a safe and versatile event space which will become the focus of a wide variety of events ranging from watching international sporting competitions on the screen to participating in local community events.
